## PLASTERBOARD

### Performance Plus & Impact panel

#### Performance Plus

Knauf Performance Plus, our highest specification plasterboard, is designed for use in commercial projects which demand high levels of sound, moisture, fire and impact resistance.

Code	Size	Pallet Qty
PERF12	PERFORMANCE PLUS 2400 X 1200 X 12.5mm	60

#### Impact Panel

Knauf Impact Panel has a specially toughened, dense core to provide superb resistance to impact along with an excellent load capacity. Ideal for high-traffic areas such as corridors and staircases.

Code	Size	Pallet Qty
IMPACT	IMPACT PANEL 3000 X 1200 X 15mm	42
